Dear Parents and Grade 9 students,

It is the time of year when I like to begin transitioning the Grade 9 students to experience the off-campus privilege they will get in high school.

There are responsibilities with the privilege of going off campus. If students are making poor decisions, this privilege will be suspended for a period of time.

Students are responsible for:

- Arriving to afternoon classes prepared and on time
- No food should be brought into the classroom
- If assigned to study hall, the privilege of off campus is lost for that day
- Representing CCS in a positive way while off campus

Please fill in and return the lower half of this notice.

In Christ,

Jason Kupery  
Principal, Grades 7 -12
